**Welcome:** My staff & I appreciate the selection of our office to serve your dental needs. Our goal in this practice is to provide you with the optimal dental care; my diagnosis of your needs will be the same, as I would make for a member of my own family. The following is an explanation of our financial policies. If you have any questions, please ask.

**Appointments:** Our goal is to provide quality dental care in a timely manner. In order to do so we have implemented an appointment/cancellation policy. The policy enables us to better utilize available appointments for our patients in need of dental care. Appointments are in high demand. Therefore, if it is necessary to cancel your scheduled appointment we require that you provide us with 24 hours notice. Your early cancellation will give another person the possibility to have access to timely dental care. If an appointment is missed without 24 hours notice being given, you will be subject to a \$30 cancellation fee.

**Financial Policies:** Professional services are to be paid for on the day that they are rendered. If a service requires more than one visit (example: a crown), you may pay ½ of the fee at the start of treatment, with the balance to be paid in full once treatment is completed. For your convenience, we also accept Visa, MasterCard, American Express, & Discover. If extended payments are desired, this option is available through Wells Fargo Financial (6 months same as cash).

*\*ALL OVERDUE ACCOUNTS WILL RECEIVE A \$15.00 MONTHLY LATE FEE THAT BECOMES THE RESPONSIBILITY OF THE ACCOUNT HOLDER TO PAY.*

If your account is placed for collections, the undersigned agrees to pay all attorney & collection fees.

**Insurance:** Our office policy is to bill your dental insurance carrier as a courtesy to you. Although, you are responsible to pay your estimated portion on the day of service. Once the carrier is billed, payment must be made in full within 60 days. If your insurance carrier does not remit payment in full within 60 days, the balance is due in full by you. Since we are not a party to the agreement with your insurance carrier, it is not our policy to contact carriers to establish why they haven't paid differently than originally indicated.

\*Please be advised that if you have treatment rendered that you would like to file with your medical insurance carrier, we do not file medical claims. We do not have access to medical diagnosis codes or treatment codes.

**Philosophy:** Our goal is to provide the best dental service possible. Proper dental care enhances your well-being; we want you to feel good about yourself and your oral health. Please feel free to ask any questions. We are honored to serve you, other members of your family, & your friends.

I have read and agreed to the above policy.
